ABOUT THE PARK

P3 Ardea is a logistics park soon to be built, located in the municipality Ardea in the province of Rome, in the district of Santa Palomba, at the intersection of Via Ardeatina and Via di Valle Caia.

The park is located in one of the main logistics hubs of Rome, and is only 14 km from the GRA (Grande Raccordo Anulare), easily reached through Via Ardeatina SP 3.

The location is served by several alternative roads such as Via Nettunense SR207 and Via Pontina SS148, which ensure easy access to the main districts through toll-free roads.

The park is ready to be built on a plot with a territorial extension of about 180,000 m². Possibility of immediate construction of up to 50,000 m² GLA Build-to-Suit
