## MARITIME LOGISTICS GATEWAY AT JADEWESERPORT

P3AtlanticOne lies close to Bremen in northern Germany at the JadeWeserPort freight centre, the country's only deep-water port. Ships can berth there year-round without tidal restrictions, and the site enjoys seamless road and rail connections. This makes AtlanticOne a future-proof gateway for international trade.

## FLEXIBLE MULTI-USER FACILITY

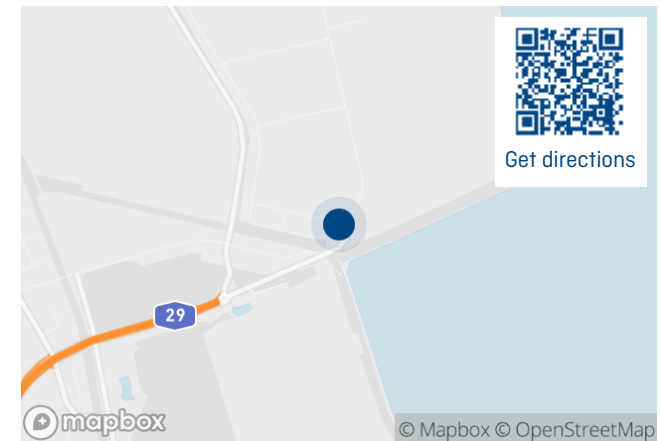

Completed in 2021, AtlanticOne provides around 13 000 m<sup>2</sup> of lettable space, including approximately 11 600 m<sup>2</sup> of warehouse, 1 030 m<sup>2</sup> of office and 670 m<sup>2</sup> of mezzanine. Tenants benefit from an 8 m clear height, three recessed loading bays and ten dock levellers. A traffic-light-free link to the A29 motorway ensures quick onward distribution.

## SUSTAINABLE & DIGITAL BY DESIGN

Built to a high environmental standard and certified DGNB Gold, the complex features energy-efficient LED lighting and a digital monitoring system that tracks resource consumption and environmental conditions in real time. Additional sensors measure loading-dock and floor-load stresses, supporting predictive maintenance.

## STRATEGIC ADVANTAGE

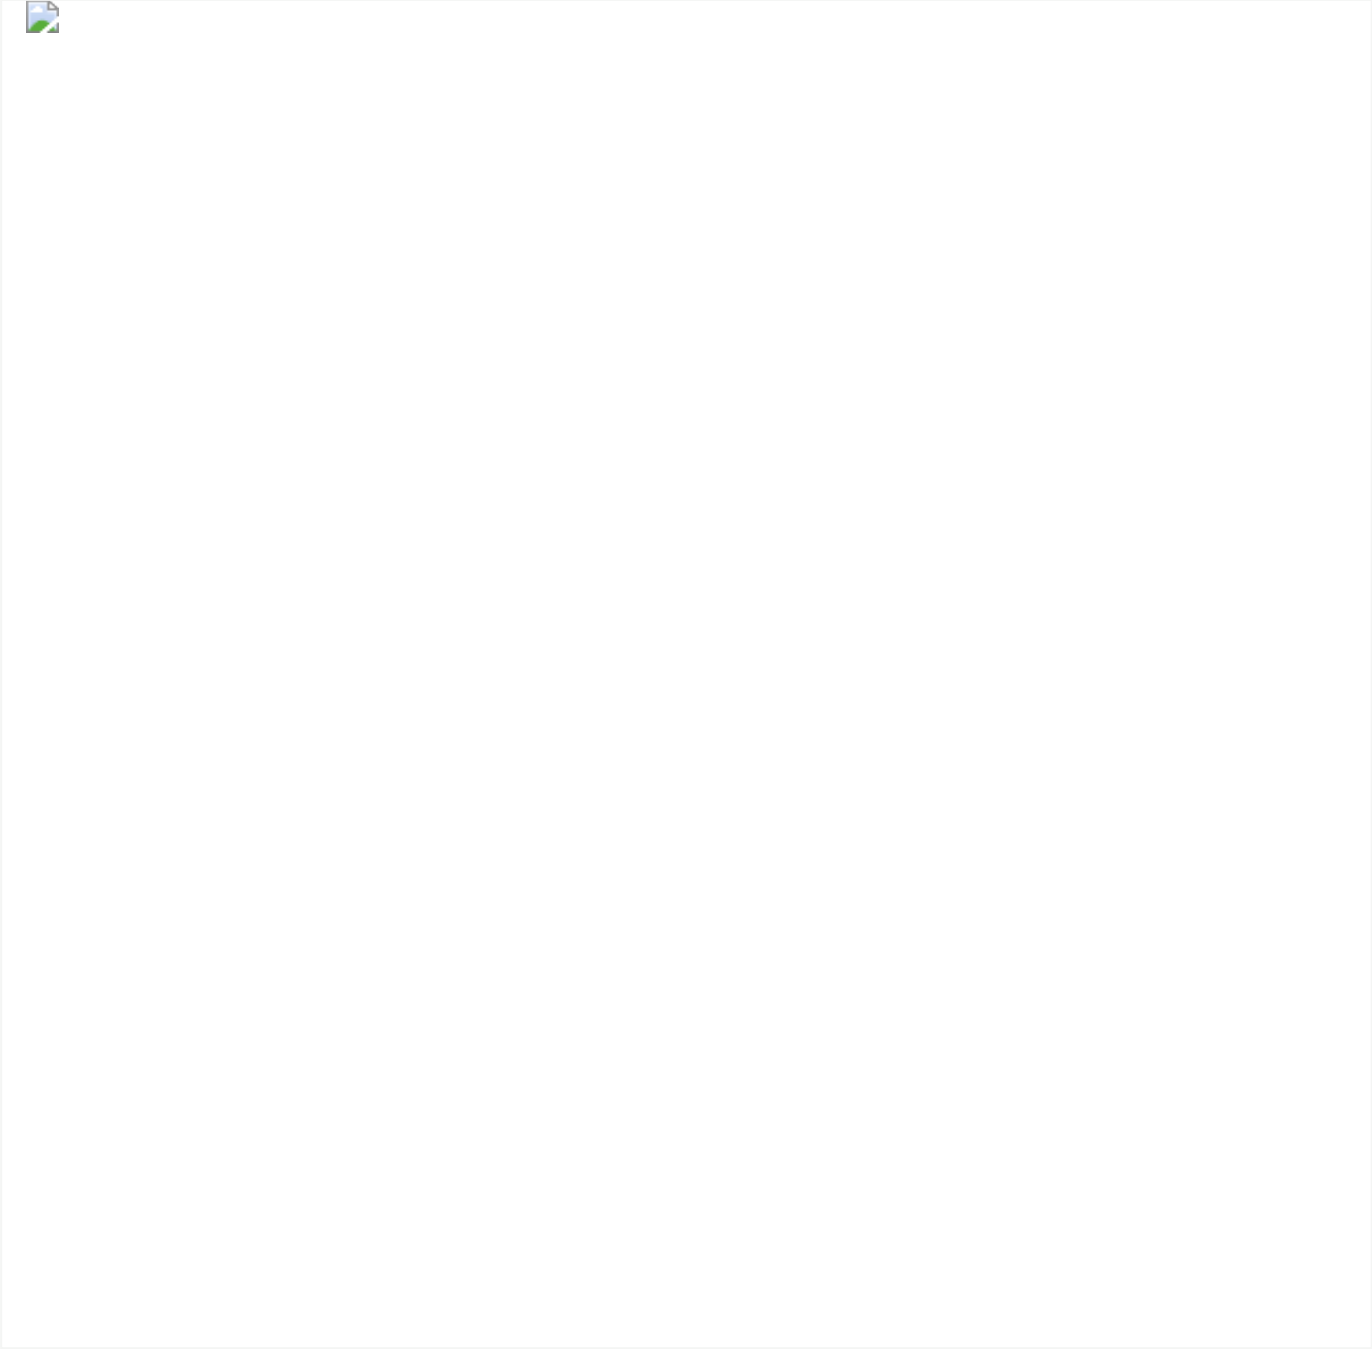

By combining deep-sea port access with strong road and rail links, P3AtlanticOne offers one of the most strategic logistics hubs in northern Europe. Its direct connection to JadeWeserPort and modern, flexible facilities make it ideal for import/export operations, large-scale distribution and international supply chains.

AVAILABLE SPACE

Building	Available development space	Available warehouse space	Available office space
1	0 m²	2,546 m²	220 m²

- Existing building
- Development opportunity
- Offices
- Under construction

## KEY FEATURES

- Total leasable area: approx. 50,000–80,000 m<sup>2</sup> (divisible into flexible units)
- Clear internal height: 12 m
- Floor load capacity: 5 t/m<sup>2</sup>
- Column grid: 12 × 24 m
- Docking:
  - 1 loading dock per 1,000 m<sup>2</sup>
  - Multiple level access doors for each unit
