MODERN LOGISTICS DEVELOPMENT IN LELYSTAD

P3 presents a state-of-the-art logistics property of 38,278 m² in Lelystad, the capital of Flevoland and one of the Netherlands' fastest-growing logistics hubs. Situated within the Dutch logistics triangle (Almere, Zeewolde, Lelystad), the site offers excellent multimodal connectivity via the A6 motorway, rail, and waterways. Proximity to Lelystad Airport, Flevokust Port, and Schiphol Airport ensures seamless regional and international distribution.

Its central location allows direct access to Amsterdam, Utrecht, Schiphol, and the German border, making Lelystad an ideal choice for companies in logistics, warehousing, and distribution.

FLEXIBLE SPACE FOR LOGISTICS & DISTRIBUTION

Located within Business Park Oostervaart, one of the most strategically positioned industrial zones in the Netherlands, the facility provides 38,278 m² of premium logistics and distribution space. The property can be divided into two units, offering flexibility to accommodate different operational requirements for medium to large-scale companies.

FOCUS ON SUSTAINABILITY

P3 Lelystad is developed according to the BREEAM "Excellent" certification standard, ensuring the highest level of sustainability and efficiency. The property is fully gasless and powered by PV solar panels, reducing environmental impact and operational costs.
