OVERVIEW

STRATEGIC LOGISTICS LOCATION IN NORTHERN GERMANY

P3 Lübeck is located in Lübeck, one of Northern Germany's most important logistics gateways. Its strategic position provides excellent access to major regional and international transport routes, making it well suited for companies serving Germany, Scandinavia and the wider Baltic region. The property is connected to public transport via bus line 12. The distance to the city centre is approx. 6.5 km.

EXCELLENT MOTORWAY & PORT CONNECTIVITY

The site benefits from convenient access to the A1 motorway and the Port of Lübeck, supporting efficient road and maritime transport. These connections enable fast and reliable movement of goods between Northern Germany and key international markets.

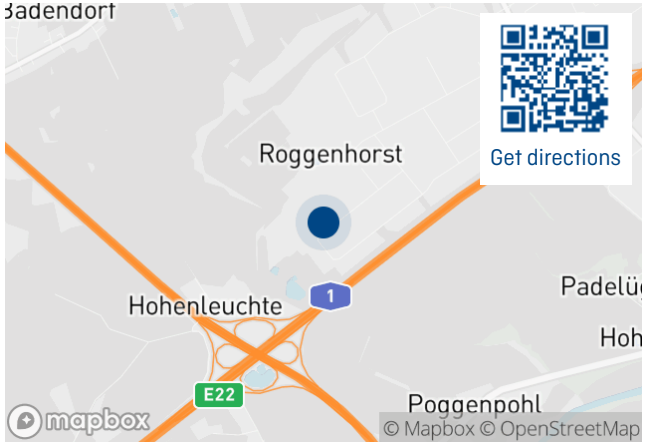

IDEAL BASE FOR INTERNATIONAL DISTRIBUTION

Thanks to its strong transport infrastructure and proximity to the Baltic Sea, Lübeck is an attractive location for logistics, warehousing and international freight distribution. The combination of motorway and port access makes the property particularly suitable for businesses operating across Scandinavia and the Baltic region.
