STRATEGIC LOGISTICS LOCATION NEAR THE GERMAN BORDER

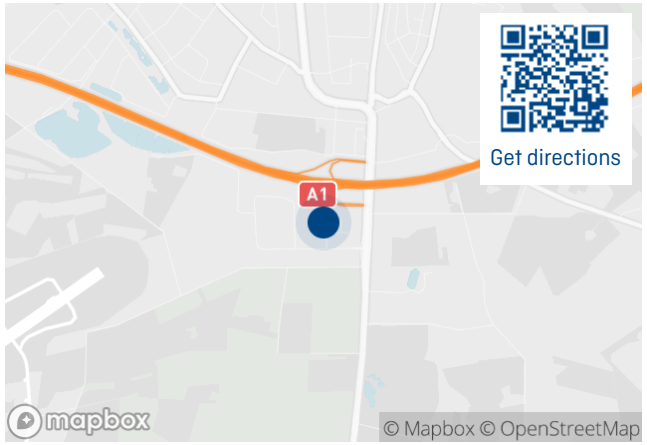

P3 Oldenzaal is strategically located in Oldenzaal, close to the German border, offering an excellent base for logistics and distribution operations serving both the Netherlands and Germany. The property benefits from direct access to the A1 motorway, one of the Netherlands' most important east-west transport corridors, providing efficient connections towards Hengelo, Enschede and the wider Dutch motorway network, as well as towards Germany. Its cross-border position makes P3 Oldenzaal particularly attractive for companies operating across the Dutch and German markets.

FLEXIBLE X-DOCK FOR LOGISTICS & LAST-MILE OPERATIONS

The property is designed as an X-Dock logistics facility, making it particularly suitable for courier, parcel delivery, cross-docking and last-mile distribution operations. Its layout supports the rapid movement of goods through the facility and enables efficient inbound and outbound logistics. The immediate proximity to the A1 motorway and major regional roads further supports fast distribution and short transport times, making the location well suited to businesses requiring frequent vehicle movements and efficient access to their customer base.

PART OF AN ESTABLISHED LOGISTICS & INDUSTRIAL HUB

P3 Oldenzaal benefits from its position within an established business and logistics environment that brings together international transport and logistics companies alongside businesses serving the region's manufacturing sector. This concentration of logistics, industrial and transport activities creates opportunities for operational synergies and efficient supply-chain connections. Combined with its strategic border location and excellent motorway accessibility, P3 Oldenzaal provides a
