KEY FEATURES

The facility in Siegenburg near Munich will have a clear height of 12 metres and 27 gates, as well as four gates at ground level. The total lettable area is just over 32,500 square metres, of which 28,400 square metres is warehouse space, 2,100 square metres is mezzanine space and 1,600 square metres is office space. P3 is developing the property in an environmentally friendly way and equipping it with photovoltaic systems as well as greening measures on the noise protection walls. Special attention is also being paid here to an intelligent water meter system as well as a system for detecting water leaks. E-charging stations for employees' vehicles and bicycles will also be installed on the site.
