OVERVIEW

STRATEGIC LOGISTICS LOCATION ON THE GERMAN BORDER

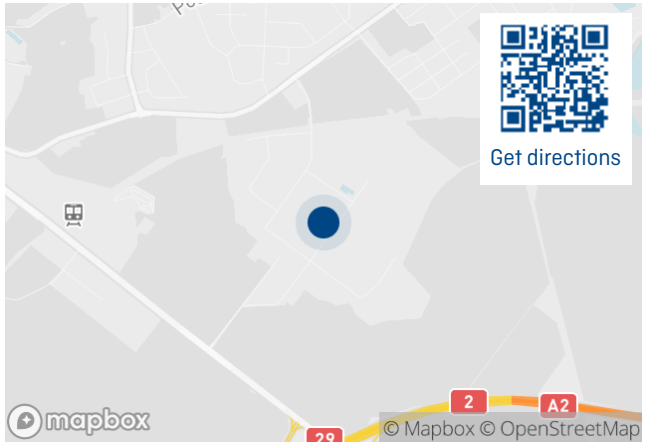

P3 Słubice is located approximately 6 km from the German border. The park is around 2 km from the junction of the A2 motorway and national road 29, providing efficient connections to both Polish and Western European markets. Słubice railway station is located approximately 2.5 km from the site, further supporting convenient transport and distribution.

MODERN SPACE FOR WAREHOUSING, PRODUCTION & DISTRIBUTION

The park comprises a single 15,738 m² production and warehouse building with accompanying office space. The building is suitable for a wide range of warehousing, production and distribution operations, while its direct access to motorway and rail infrastructure supports efficient day-to-day logistics.

STRONG CROSS-BORDER CONNECTIVITY & REGIONAL POTENTIAL

Słubice is located in western Poland, in the Lubuskie Voivodeship, on the Oder River directly opposite Frankfurt (Oder) in Germany. The city lies approximately 70 km east of Berlin, 160 km south of Szczecin and 180 km west of Poznań. Its proximity to the A2 motorway provides fast access to Berlin and other Western European destinations, as well as efficient connections to Poznań, Warsaw and the rest of Poland. Strong cross-border economic links, well-developed road and rail infrastructure further strengthen the area's attractiveness for logistics, manufacturing and distribution.
